FLANIGAN TO CALL MEETING PROBABLY EARLY NEXT WEEK

Large Number of Grid Athletes Are
Expected to be on Hand to
Align With Islanders.

Football in Rock Island will be given a start next week. Manager Walter Flanigan will probably call his first meeting of the year with prospective members of the team on Tuesday night. Judging from the number of grid athletes who have been fitting around Walter in an anxious mood for the past week, there will be a good turnout. The peppy little manager is counting on assembling an aggregation early and be prepared for a game toward the close of September of the first week in October. As soon as the necessary preliminary details are settled, the managers of the three tri-city teams will get their noses together and arrange the local schedule, which will call for six games. This should prove enough to determine an undisputed champ of the tri-cities.

Flanigan is not in the least concerned with the wild and unsubstantiated reports coming across the river. Our latest information, which comes from a pretty good source, is to the effect that Dave-Donahue has not yet secured the signature of Sile to a contract. We hope, however, they do obtain the services of the big fellow, as it will be for the good of the game if he can turn out a winning team.

Then, again, we know for a fact that the D. A. C. has yet to receive the signed contracts of a lot of the birds they are chirping about. The funny thing about it is, that some of them have been making tracks to Rock Island every day to give Flanigan the chance to offer them an opportunity to play with the Independents. Others are hot on the trail of Don Hutchinson of the Moline Fans' association.

He Don't Want Them.

All of which gives Walter a lovely chance to smile. While he puts it rather strongly, nevertheless, he has authorized us to quote him to this effect: "I wouldn't have any of them as a gift. This is intended especially with reference to Kuehl, who spread wild talk in the ears of the 'Red' Walters that I had already made him an offer for this season of \$50 per game. I don't want him, and furthermore I would not have him if I was paid for it, because he only causes dissension among the other players on the team."

"Of course, I feel complimented that the worried D. A. C. should even think that I had made such reckless offers. Fact of the matter is, I haven't got more than 95 cents to start the reason on, so how could I do it if I had the desire?"

Speaking about contracts, the Islander boss says in the words of Goldberg, "It doesn't mean anything." Just a waste of energy preparing the papers, says Walter. The average player doesn't care whether he breaks his contract or not as it doesn't hold against him. When they come to join the Independents, I shake hands with them," Walter says, "and the best of 'em stick till the end."

Another thing worthy of mention—the management of the D. A. C. would be a tickled crowd if they could put into operation the percentage system of remuneration. Only they know it can't be done in a town where the players have no confidence of whole-hearted support from the fans. What they demand is a flat guarantee and then if they become disgruntled they break their contract, but on the other hand, if the management gets cranky, the contract becomes a pretty good weapon in the hands of the individual.

Moline Is Busy.

Don Hutchinson, business manager of the Moline Fans' association, is working hard, but quietly, to assemble a championship outfit. He is not doing any blowing and admits the only man he has signed to a contract is Mark Delvin, Coach. He has been talking cold turkey with a lot of good men, however. Contracts will be signed by Moline players, but they will have a kick in them, inasmuch as a part of the salary will be held up until the end of the season, and failure to live up to the agreement will mean a forfeiture of a good sized wage of Jack.

Hutch announces that Delvin will report in Moline on Sept. 5. The team will not wait for his appearance but will start getting the kinks ironed out about the last of this month. The baseball season closes on Aug. 29 in the Plover City. He is busy arranging a schedule and has practically closed negotiations for an early game with the Fort Wayne Friars.

RED SOX BEAT INDIANS.
Cleveland, Ohio, Aug. 22.—Failing to make a hit after the first inning, when they scored all of their runs, Boston defeated Cleveland yesterday, 4 to 3. Jasper and Pan-nock were taken out in the first inning after pitching to four batters. Russell held Cleveland without a score in the first after relieving Pennock with the bases full and none out.

REDS COME FROM BEHIND.
Boston, Mass., Aug. 22.—Cincinnati came from behind and defeated Boston, 7 to 6. Oeschger walked Pinch Hitter Duncan to start the ninth. Rudolph relieved Oeschger and Rath forced Duncan. Dautbert's single, a pass to Groh, and Roush's bounding single to center scored two runs, enough to win.

SOX SLAM BALL HARD AND GRAB ANOTHER, 11-4

Senators Put up an Exhibition That
a Minor League Club Would Have
Been Ashamed to Have Staged.

Chicago, Aug. 22.—It looked as if the White Sox were about to break their winning streak yesterday when the Senators began hammering the southpaw curves of Claude Williams right at the start of the game and hopped away with a two run lead. Washington's players, however, went all to smash in the last half of the same inning, making four errors which, with a couple of hits and a base on balls, gave Chicago a cluster of five. The final outcome was 11 to 4, in favor of the Sox, and they still are five laps ahead of Detroit.

RITCHIE MITCHELL TO FIGHT WELLING

Ritchie Mitchell, the Milwaukee scrapper, will be Joe Welling's opponent in the windup of the show to be staged by Floyd Fitzsimmons at his Benton Harbor arena on Labor day afternoon. This match was closed Wednesday and the boys will weigh in at 136 pounds ringside. Just who the East Chicago promoter, George Oswego, will get for the show he plans for Labor day is hard to figure. Oswego wanted Welling and White, but Charley declined.

BROOKLYN TRIMS PIRATES.

Brooklyn, N. Y., Aug. 22.—Brooklyn defeated Pittsburgh yesterday, 3 to 2. A fumble of Johnston's grounder by Barbare and a wild throw by Barbare on Z. Wheat's grounder, with Myers' single, gave Brooklyn a run in the first. Olson's double, a pass to Z. Wheat, and Myers' double gave Brooklyn two more runs off Adams in the third.

GIANTS TAKE PAIL.

New York, Aug. 22.—New York made it three straight from St. Louis yesterday, 5 to 2. Nehf, recently acquired from Boston, pitched a strong game, holding the Cardinals to three hits. Goodwin also pitched a good game, holding the Giants to five scattered hits in six innings. He was taken out in the seventh to make way for a pinch hitter.

Three Runs in the Second Inning
Makes It Clear Sailing for
Claude Hendrix.

Philadelphia, Pa., Aug. 22.—Lumping three swats with a base on balls in the second inning, before and after a rainstorm yesterday, the Cubs, with Hendrix pitching, near shutout baseball, licked the Phillies, 5 to 1, without the aid of extra innings.

Sport Gleanings

BY JIMMY HUGHES

His Mind Is Upset.

The peace of mind of one Dave-Donahue is sorely upset these days. He is wondering what Walter Flanigan is going to spring in the line of football talent, and it hurts him awfully that he can't get a rise out of the independents' manager.

While this said scribe is being panned by his contemporary on a rival sheet a couple of blocks away for spreading broadcast what is alleged to be misinformation concerning the D. A. C., he hazards a guess as to what is transpiring on this side of the father of waters. He writes of rumors that negotiations are going on between Walter and several members of the Minneapolis Marines. He takes a long shot, and while we are about it we might as well say he may be right. It won't help him get any more sleep nights.

Speakin' About Grass.

At the same time this dispenser of sports very wittingly remarks that the grass grows long in the streets and on the gridirons of Rock Island. Of course that about the streets is just a bit of "dry" humor, being as how Davenporters have long since cut the trip over here off of their daily program; but about the gridirons—well, they haven't got one over there to let the grass grow tall on. Guess that's what burns 'em.

Taber with Sox.

Congratulate Ed "Pinky" Taber, erstwhile star semi-pro twirler of these parts, but now a member of Kid Gleason's Chicago White Sox. Ed was scheduled to join the Sox on Wednesday. Some scout had lamed him performing stylishly against the crack semi-pro outfit in these parts, and in Kewanee, here he had been appearing for the last couple of months, and recommended him to the White Sox boss.

Taber, who still has quite a stretch to cover before casting a vote, probably will gaze upon major league ball and absorb all the points he can from the bench for the rest of this season. In the meantime he will keep his arm in trim by pitching in batting practice. Next year he will get his chance on the mound, and here's hoping he makes good.

Donahue Easy Winner.

Johnny Donahue bored Dave Fidler of Des Moines at Millersburg, Iowa, Wednesday night and was returned an easy victor in 10 rounds. Johnny had things his own way throughout, the newboy champ displaying only occasional flashes of form when the local boy would ease a bit.

Plan for Boxing Card.

Just who will be the principals in the main go of the Labor day boxing program being arranged by the Moline Fans' association is still a matter of extreme uncertainty. Business Manager Don Hutchinson is extremely busy in his efforts to land two good men. He expects to make an announcement in a few days that will bring exclamations of delight from the fans.

COBB BIG GUN.

Detroit, Mich., Aug. 22.—Three hits in the first inning and the effective pitching of "Dutch" Leonard won for the Tigers yesterday from Philadelphia, 2 to 0. Cobb's hitting and base running featured. The Georgian beat two infield hits, drove out one for three bases, and slid home in the first inning for Detroit's second run, beating the return throw on Veach's sacrifice fly.

THREE HUNDRED ATHLETES TO COMPETE IN BIG TRACK MEET

TONY CAPONI IS WINNER IN MILL IN EARLY ROUND

It required only four rounds for Tony Caponi, wop batter of Rock Island, to stow away Barney Burke in their scheduled 8-round mill at La Salle last night. Babe Meador's protege opened up on Burke in the first round and delivered a terrific beating to him for three solid sections. There was no letup in Tony's attack and during the fourth round the mix was stopped after Tony had knocked his opponent down several times and had him groggy. Tony won by a technical K. O.

This fight was the semi-windup. In the windup, Goats Doig of Springfield Valley traveled 10 rounds with Sailor Norfolk's Norfolk had hard sailing for the 10 sessions and Doig was declared winner.

BROWNS AND YANKS SPLIT.

St. Louis, Mo., Aug. 22.—Geddon's two base hit in the 14th inning of the second game scored Austin and the run won for St. Louis a hard pitching duel between Mordridge and Schorron, 2 to 1. The victory gave the Browns an even break in two hard fought games with New York.

The Yankees won the first game, 3 to 2, Baker's double and a single by Pratt scoring the winning run in the ninth. Sisler's home run with Jacobson on base tied the score in the fourth. Hannah was ejected in the 10th for disputing a decision of Umpire Chilli.

Moline Fans' Association Is Receiving Entries For Classic to be Held on Sept. 6-7.

The biggest track and field meet in the history of this line of sport in the tri-cities is being arranged by the Moline Fans' association to be staged on Sept. 6 and 7, at the plow city baseball park.

Already the management has received a large number of entries for the events, and it is predicted that fully 300 athletes will compete for the honors. The meet is open to all. No restrictions are made as to amateur or professional standing, or as to age. Athletes will engage in the contests, either as members of an organization, or unattached, according to their own choosing. Trophies and prizes will be donated by various firms to be awarded individual and team winners.

An event of this nature has long been advocated by devotees of the sport and by former college and university athletes and those who made their marks in high school. Many of these performers have only within recent years been inactive on the track, and with a little training, should attain their former standard.

It is practically assured that Captain Lewis Omer, formerly director of athletes at Camp Grant, will be here to act as referee.

The following events will be contested: 50-yard dash, 100-yard dash, 220-yard dash, 440-yard dash, 880-yard run, 4 mile team relay, five mile run, shot put, discus throw, standing broad jump, running broad jump, standing high jump and running high jump.
